

SO YOU WANT TO BE A ROCK 'N' ROLL STAR?

METROPOLIS STUDIOS ANNOUNCE THE FIRST
LONDON LEGENDS
ROCK MASTERCLASS

27th April -- 2nd May 2010

West London's legendary **Metropolis Studios** have been used for classic recordings by acts as diverse as *Amy Winehouse, Michael Jackson, The Clash, Beyonce, Led Zeppelin, The Who, Lily Allen, Iron Maiden, the Rolling Stones* and many, many more. This enigmatic building and studios named after Fritz Lang's evocative and futuristic film of the same name, will host the first **LONDON LEGENDS ROCK MASTERCLASS** event.

Beginning on **Tuesday 27th April** and finishing on **Sunday 2nd May 2010**, only 30 lucky wannabe rockers will receive the experience of a lifetime at the 5 day Masterclass event. Not only will they benefit from music teachers, but also get 3 days of jamming and mentoring with at least 4 stars and a world class producer in a world class studio. The **London Legends** already on board include:

THE SEX PISTOLS – GLEN MATLOCK

SQUEEZE – CHRIS DIFFORD

THE SMALL FACES/THE FACES – IAN MCLAGAN

THE KINKS – MICK AVORY

Mick Avory, longtime percussionist and drummer with seminal British rock band **The Kinks**, and one of the legends taking part in LLRM this Spring, said, "I'm really looking forward to the LLRM and jamming with you in April."

Ian McLagan, from **The Small Faces** and **The Faces** says, "Although I now live in Austin, Texas, I was born and grew up in London where **The Small Faces** ruled from 1965 on – and London will always have a special place in my heart. I look forward to playing with my old pal **Glen Matlock**, and meeting you all at **The London Legends Masterclass**."

Chris Difford, the double Ivor Novello Award-winning lyricist and founding member of **Squeeze** is equally as fired up for LLRM, "I'm really excited about writing with new people and having some fun in the studio, each song is a journey we all want to take in life after all."

The 30 rock protégé's will stay at THE rock 'n' roll hotel - **KWest** located in London's Kensington, where they'll be greeted by Metropolis Minders and the LLRM host **Gary Crowley**. Gary's experience as a leading figure of the London rock scene has resulted in many personal friendships with some of the greatest names in music.

The serious stuff (and fun) starts Wednesday morning when the rock trainees will receive a tour of Metropolis Studios and complex, to enjoy the atmosphere and history of The Power House and get a sense of some of the greats who have recorded and hung out here, and hear about those who still do!

Five days of music begin when **Masterclass** teachers and **Metropolis** minders introduce you to the **Legends**, who will mentor, coach, encourage and hang out with you for your stay with us. We begin by splitting the group into 6 bands who will rehearse, practice, record and be filmed for video diaries over the first 3 days learning how Rock bands put their tours and recordings together – including 2 sessions with one of the UK's finest producers **Steve Levine** on *How To Record*. By Friday after 3 full days of teaching and mentoring with **Teachers and Legends** you will be in shape for lunch at **Bill Wyman's** Sticky Fingers restaurant, and Dinner with **Mick, Chris, Mac and Glen**. Sunday is a **Day Of Recording**, followed by **The Sunday Blast**, a full live gig **filmed and recorded**.
